1. In line with good practice (as set out in the Department of Health Assurance Framework for Aspirant Foundation Trusts : Board Governance Memorandum), the Chief Executive is to submit a written report to each Board meeting detailing key Trust issues and identifying important changes or issues in the external environment.
2. For this meeting, the key issues which the Chief Executive has identified and upon which he will report further, orally, at the Board meeting are as follows:-
  - (a) emergency care;
  - (b) the Trust's financial position as at month 4 2014/15.
3. The Trust Board is asked to consider the Chief Executive's report and, again, in line with good practice consider the impact on the Trust's Strategic Direction and decide whether or not updates to the Trust's Board Assurance Framework are required.
